

E-safety

BE SAFE ON
THE INTERNET!

BY THE 6NS
DIGITAL LEADERS

What websites do you use?

Instagram

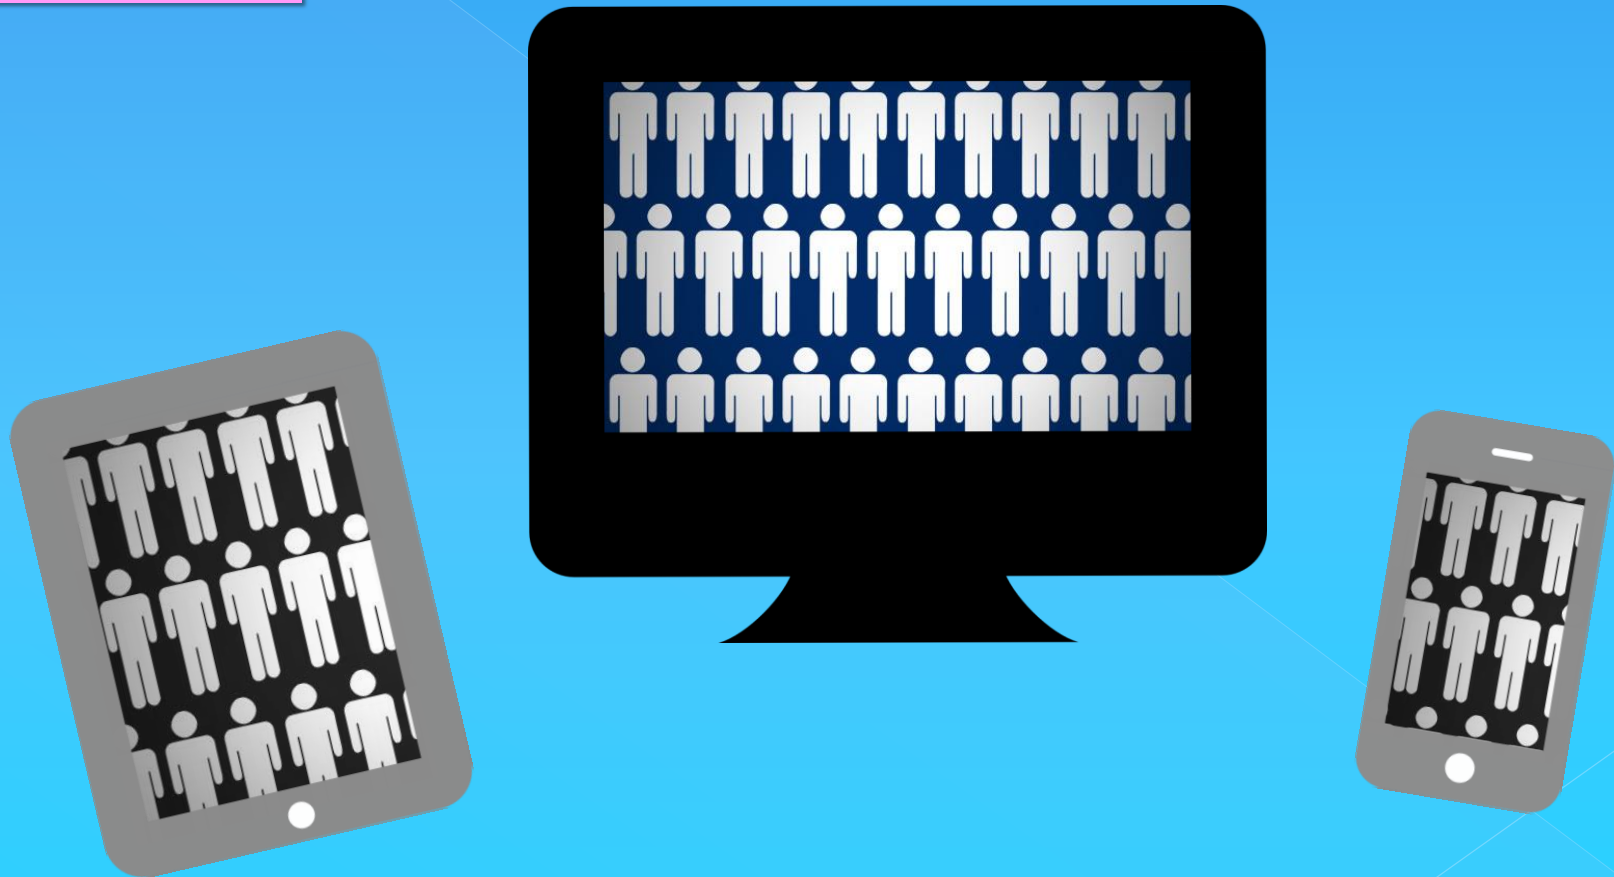

flickr™ You Tube

What would it be like if the internet was turned off?

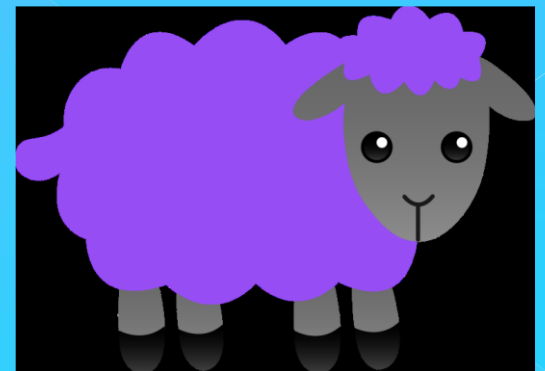

What would the internet be
like if we were all the
same?

JESSICA'S WISH

We are about to tell you a story about a young girl named Jessica who discovers that the internet would be very boring if we were all the same.

Don't forget to be SMART online

S stands for safe.

M stands for meet.

A stands for accepting.

R stands for reliable.

T stands for tell.

SAFE

It is important to keep safe on the internet because there are lots of people who aren't who they say they are. To keep safe, keep your password and other personal information to yourself.

MEET

Be careful when chatting to other people online that you don't know or just met. If they ask to meet up, tell your parents and never go by yourself.

Accepting

Always be careful when accepting friend requests or requests to meet up. Some people are completely different from who they make up to be online.

Reliable

Not everybody online is reliable. You can't trust anybody online that you don't know with any of your personal information like your:

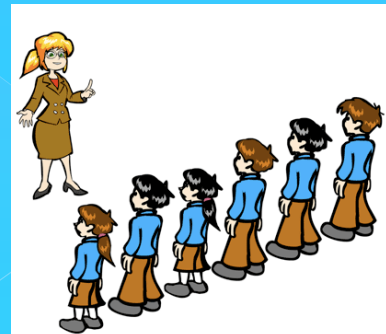

- ◉ Address
- ◉ School
- ◉ Password
- ◉ Email or phone number.

Tell

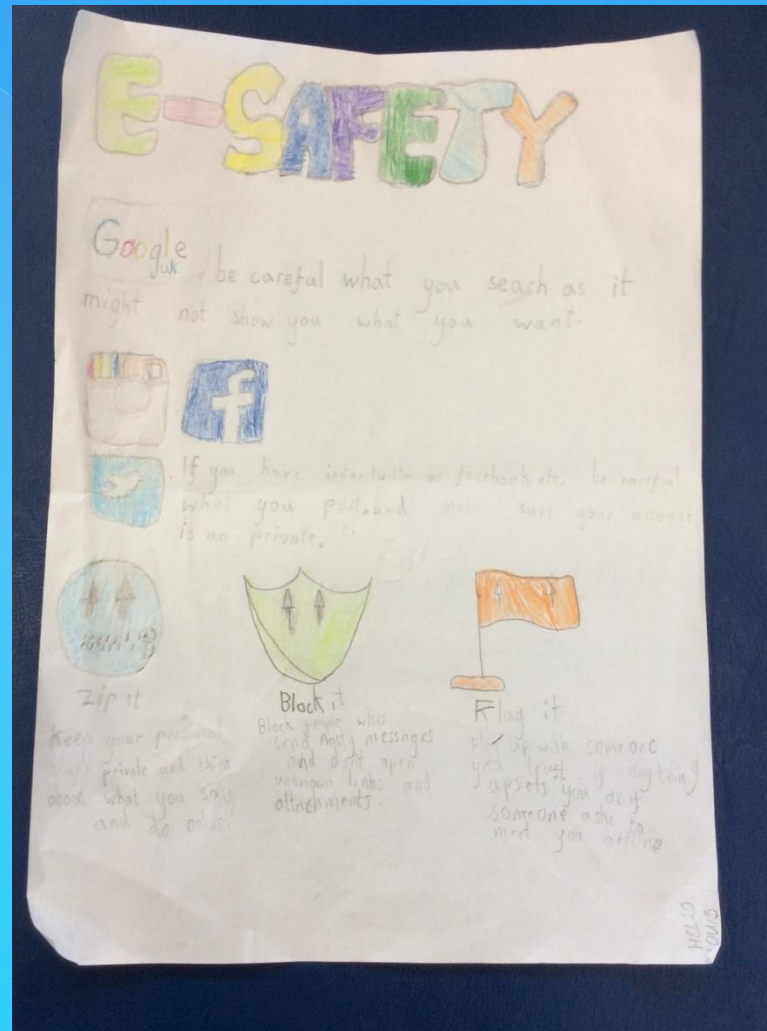

If something happens online that upsets or worries you, always tell an adult straight away that you can trust and they'll sort it out for you as soon as possible.

Competition Time!

It's your time to shine. The digital leaders are organising a competition. Design a poster for e-safety for your chance to win. The winning 2 posters (girl and boy) will get their posters showcased in the library. During the half term, you will need to work on your posters and give them to Mrs Goodwin by Monday 22nd of February and the winners will be announced that week in singing assembly.

Here is an example. Make sure lots of colour and fun is also added.

BIG QUESTION

SO WHY IS IT
IMPORTANT TO STAY
SAFE ON THE INTERNET?

THANK YOU FOR LISTENING

*Thank you for listening to the 6NS
digital leaders safer on the internet
day 2016 assembly.*

Stay safe!!!!
