EFFECTS OF INTERNET BULLYING ☹️

- ▶ For many of these apps you have to be over 13 and it is a rule many don't obey. You can get bullied on all of these. Bullying is not OK! It can affect people in many different ways and can cause grief for the person getting bullied and their families.

SMART

- ▶ SMART is an acronym which helps you to remember how to stay safe on the internet.
- ▶ If you follow these rules you will enjoy your time online whilst being safe. A good website to look at Internet Safety would be [saferinternet.org.uk](https://www.saferinternet.org.uk)

SMART – S

- ▶ S – stands for safe
- ▶ It is important to stay safe online and don't give personal information such as:
- ▶ Full name
- ▶ Address
- ▶ Phone number
- ▶ Passwords
- ▶ Email
- ▶ School

SMART – M

- ▶ M–Meeting
- ▶ Meeting people online can be very dangerous because you never know who is behind the screen, not everyone is who they say they are.
- ▶ Never trust anyone unless you have met them in real life. If someone that you do not know in real life tells you to meet them always say no.

**Choose online friends
carefully and don't
agree to meet up with
them in person!**

SMART-A

▶ A-ACCEPTING

- ▶ If you receive a message from a person that hasn't text/E-mailed you before check and be careful because it may contain a virus!
- ▶ Virus' have many different forms they can appear as E-mails, texts, links and pop ups.
- ▶ If a pop-up comes up, always ignore it.
