as

# *What is Safer Internet Day?*

Safer Internet Day was on the 8<sup>th</sup> February. It is renowned around the world annually to help children with how to behave online. It also gives children and adults knowledge on what to do to keep them safe.

Hands up if you do this online:

- 1) Video calling
- 2) Chatting to your friends
- 3) Learning things
- 4) Listening to music
- 5) Watching videos
- 6) Playing games
- 7) Sending emojis

# Apps and Games

Think about your favourite apps and games for having fun.

It's amazing to know about all the apps you enjoy using online.

Today we are going to be thinking about them further because this safer internet day is all about respect and relationships when playing your favourite games and having fun online.

Do you recognise these apps?:

Have you heard of the word respect?

Does anyone here know what respect means?

Respect means: a feeling of acknowledgement for someone or something and appreciate their feelings and ideas.

When online we need to respect people and their feelings.

Lets play a game, there will be a chat and you need to think about the message you should send.

# Appropriate/inappropriate messages

Lets look at some messages. Put your thumbs up if you think that this message is appropriate and thumbs down if it's not appropriate.

Adrian: I don't want to play anymore!

Aria: We will lose without you so you have to stay.

*Adrian left the game.*

Aria: Your such a loser why did you have to leave?

What should these people do? Talk to your partner?

# Appropriate/inappropriate messages

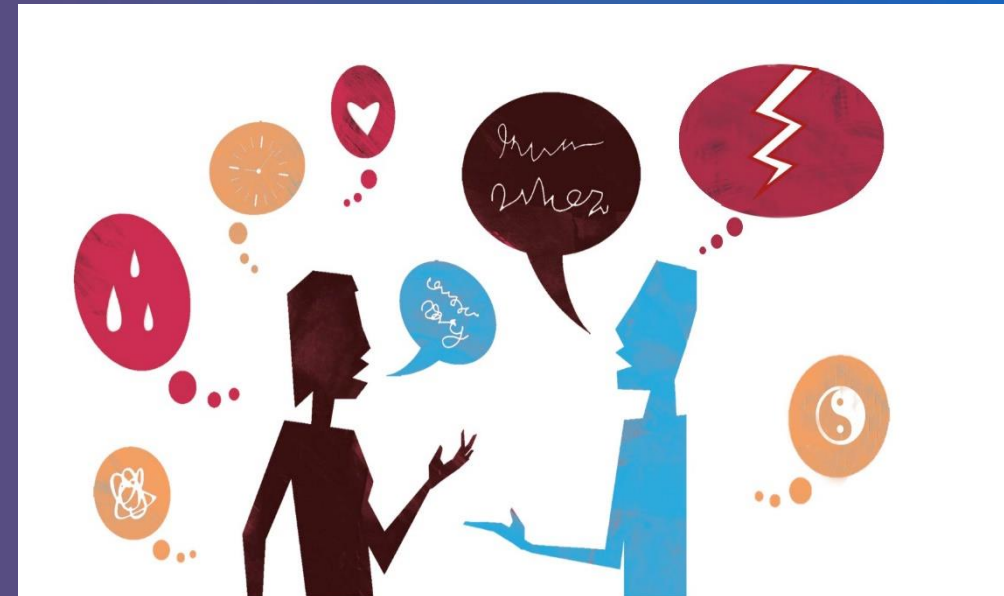

Alesha: Oh my god you are so bad at the game, I'm leaving!

Emily: Don't quit! We are about to win this round. Don't be a loser!

Alesha: I can't I need to go!

*Alesha leaves the server.*

What should these people do? Talk to your partner?

# If someone is being impolite.

## What can you do?

# Emoji's

What do you think these emoji's mean?

# Safer Internet Day

*It is important to keep safe when you are using the internet. By doing these things you are insured to be safe when playing games, calling, etc. Most importantly. Have fun!*
