

Dear Parents/Carers

Latest update

As you may be aware the Prime Minister has announced today that schools will remain closed to all except children of keyworkers and vulnerable children until 8th March.

Our current remote learning offer will continue.

We will send out details regarding Free School Meals for the weeks after half term nearer the time.

Please also note that the school will be closed for half term (15th-19th February) so there will be no remote learning that week.

Reception Google Classroom

I hope that those children who managed to access the Google Classroom storytime today enjoyed it! We were aware of a couple of technical issues with sound, technology is never perfect!

We have arranged the following sessions for all Reception children to access:

Tuesday 2nd Feb 1pm-Reception Storytime

Thursday 4th Feb 1pm-Reception Storytime

Tuesday 9th Feb 1pm-Reception Internet Safety Lesson

Thursday 11th Feb 1pm-Reception Storytime

We will update nearer the time regarding the weeks after half term.

Take care

Mr Abrahall
