

Weekly Overview Year 5

Week Beginning: 28th March 2022

Words of the week:

We will be using the following words in our lessons this week:

- Assessment
- Especially
- Assignment
- Desperate
- Personification
- Community

Maths:

In Maths this week we will be learning about:

We will continue to have children in streamed groups which have appropriate learning objectives for the children. These groups will focus on times tables up to 12 x 12 and associated number facts.

In Miss Biant's group we will be looking at weight and capacity. We will be looking at comparisons between miles and kilometres.

In Miss Shaw and Miss Fixter's groups we will be continuing Problem solving using a variety of skills, including addition and subtraction. The children will also be focussing on percentages and fractions.

We will be encouraging the children to use the new interactive 'Times Tables Rock Stars' or 'TTRS' all children will have been given log in details for this exciting new times tables platform.

Literacy:

In Literacy this week we will be learning about:

In Miss Fixter and Miss Shaw's group will be looking at the author Jeremy Strong. They will be starting to look at biographical features.

In Miss Biant's group, we will be looking at poetry and writing a piece of poetry including personification.

You will find that some spellings are repeated during the half term/term, this is due to the fact that there may be misconceptions for some words e.g. to, two, too (synonyms) and we want the children to be able to use these correctly and in context within a sentence. Many of our weekly spellings fall in line with topics covered and provide cross – curricular links across the year 5 subjects this week and other weeks.

Other:

We will also be learning about:

Music –We will be continuing our new song and looking at classic hip hop. We will be using the glockenspiels.

PE – we will be focussing on cricket skills. We will also be playing small games of football.

Computing – Looking at how websites are planned and made. We will be adding HTML to a website. Using a website to see how apps are created.

RE – Looking at prayer in different faiths. Talking about prayer.

We will be continuing to observe E safety in all of our computing lessons as well as any cross curricular lessons that include computing as an aspect.

Don't forget it is PE day on Monday, children need to wear their PE kits to school on that day. We will be doing a mixture of volleyball, ball skills and dance.

We have also sent out reading records – all children's log in details are in there. We will check reading records every Monday and check for two signatures from an adult at home.

Swimming

After the half term, 5 Oak will begin their 5 weeks of swimming lessons.
