

## Weekly Overview Year 2

**Week Beginning:** 31<sup>st</sup> October 2022

### Words of the week:

We will be using the following words in our lessons this week:

- wild
- climb
- most
- only
- both

### Maths:

In Maths this week we will be learning to add from a 2-digit number to the next multiple of 10, in order to prepare for learning how to do additions that bridge 10s. Then, we will be adding 2-digit and 1-digit numbers together, with the focus on bridging 10. We will be representing this using ten frames and jumps on a number line. Furthermore, we will be learning how to subtract by crossing 10.

### Literacy:

In Literacy this week we will be reading 'The Fish Who Could Wish' by John Bush and Korky Paul. We will be predicting what we think the poem will be about based on the front cover. We will be making connections between this story and other stories. We will be role-playing parts of the story, thinking about our own wishes and the impact these might have. We will be learning about some technical language particular to poetry (rhyme, repetition, adjective, stanza, line, alliteration and kenning). Additionally, we will be focusing on apostrophes for possession in our grammar lessons.

### Other:

We will also be learning about:

**History** – finding out about toys today.

**Music** – rehearsing for the Year 2 Christmas play.

**Computing** – thinking about the topic we are going to research and structuring our research questions in a mind mapping tool, such as Popplet.

**Art** – using a variety of techniques and skills to create and decorate boomerangs.

**PE (invasion)** – understanding what being in possession means and supporting a teammate to do this.

Our PE day is on Monday. Please make sure your child has the appropriate PE kit in school, is not wearing jewellery and has a hair tie on this day.

**Reading Records** – please can you sign your child's reading record, a minimum of twice a week. These are collected in on Mondays.
