

Weekly Overview Year 5

Week Beginning: 21st November 2022

Words of the week:

We will be using the following words in our lessons this week:

- Sincere
- Signature
- Bridge
- Building
- Factors
- Weights
- Pillar

Maths:

In Maths this week we will be learning about:

Learning objectives may differ in Miss Jose's group.

Times tables up to 12 x 12 and associated number facts.

We will be looking at fractions and equivalent fractions.

Problem solving using a variety of skills, including addition and subtraction. We will also be able to identify whether an answer is correct by using the inverse. Problem solving will take place during most Numeracy lessons. We will be looking at numbers that are divisible by 2,3,4,5,6,9.

We will be continuing our TTRS times tables and division calculations and recollection skills fortnightly.

Literacy:

In Literacy this week we will be learning about:

Miss Jose's literacy group will be developing confidence in planning instructional text.

Other groups will be looking at how to follow instructions and what makes a good instruction text as well as creating their own set of instructions.

We will continue to look at the weekly spellings and the rules associated with these spellings along with dictionary skills and writing the spelling words in context within sentences.

You will find that some spellings are repeated during the half term/term, this is due to the fact that there may be misconceptions for some words e.g. to, two, too (synonyms) and we want the children to be able to use these correctly and in context within a sentence. Many of our weekly spellings fall in line with topics covered and provide cross – curricular links across the year 5 subjects this week and other weeks.

Other:

We will also be learning about:

DT – Building bridges and how arches are used to strengthen bridges. Children have enjoyed creating pillars and trusses so far.

Music – We will be continuing our new unit ‘Classroom jazz’ in particular ‘The three note Bosa’ by Ian Gray where children will become familiar with the instruments used within Jazz. We will be using the glockenspiels to add our own notes to the musical piece.

Science – We will be continuing to learn about Earth and the solar system in particular naming the planets independently as well as the features of the planets. Describing the movement of the Earth, and other planets, relative to the Sun in the solar system by examining the geocentric and heliocentric theories.

PE – Learning the skills to be able to show a dance routine

Computing – we will be cracking codes using the Caesar Cipher code.

RE – We are continuing with our unit on Sikhism and the importance of religious festivals including Diwali and the importance of the 5 K’s.

We will be continuing to observe E safety in all of our computing lessons as well as any cross curricular lessons that include computing as an aspect.

In RSE we will be looking at basic first aid, where children will be learning about how they can help each other if someone hurts themselves.

Don’t forget it is PE day on Friday, children need to wear their PE kits to school on that day.

We have also sent out reading records – all children’s log in details are in there. We will check reading records every Monday and check for two signatures from an adult at home.

Contact:

Year Group Leader : Miss Biant

5 Ash Class teacher: Miss Biant

5 Elm Class teacher: Miss Shaw

5 Oak Class teacher: Miss Jose
