

Weekly Overview Year 2

Week Beginning: 28th November 2022

Words of the week:

We will be using the following words in our lessons this week:

- beautiful
- after
- fast
- last
- past

Maths:

In Maths this week we will be linking 'finding the difference' with subtraction, building on our work from the previous lesson about finding 'how many more' or 'how many fewer.' We will be recognising that two calculations can be compared using the symbols =, < and >. We will also be solving missing number problems. Finally, we will be representing word problems using single bar models. We will use the words 'part' and 'whole' to help identify whether the calculation is addition or subtraction.

Literacy:

In Literacy this week we will be exploring non-fiction texts and understanding why we read non-chronological texts. We will be looking at some key features associated with non-chronological texts. We will also be focusing on how to group information.

Other:

We will also be learning about:

History – describing toys from the past and modern toys.

Music – rehearsing for the Year 2 Christmas play.

Computing – creating a mind map on Popplet showing how to be a 'Safe Researcher'.

Art – continuing to create rainsticks.

RE - understanding how Muslims pray.

DT – designing a hand puppet.

PE (invasion) – moving into space showing an awareness of defenders.

Our PE day is on Monday. Please make sure your child has the appropriate PE kit in school, is not wearing jewellery and has a hair tie on this day.

Reading Records – please can you sign your child's reading record, a minimum of twice a week. These are collected in on Mondays.
