

Weekly Overview Year 5

Week Beginning: 6th March 2023

Words of the week:

We will be using the following words in our lessons this week:

- Tail
- Tale
- You're
- Your
- You
- Too
- Two
- To

Maths:

In Maths this week we will be learning about:

We will continue to have children in streamed groups which have appropriate learning objectives for the children. These groups will focus on times tables up to 12 x 12 and associated number facts.

We will be using rules of divisibility to find if numbers are divisible by 2, 3, 4, 5, 9 and 10 – we will be conducting problem solving around this area. We will be looking at squared and cubed numbers.

We will also be continuing Problem solving using a variety of skills, including addition and subtraction. We will also be able to identify whether an answer is correct by using the inverse. Problem solving will take place during most Numeracy lessons.

We will be encouraging the children to use the new interactive 'Times Tables Rock Stars'

Literacy:

In Literacy this week we will be learning about:

Nonfiction and poetry

You will find that some spellings are repeated during the half term/term, this is due to the fact that there may be misconceptions for some words e.g. to, two, too (synonyms) and we want the children to be able to use these correctly and in context within a sentence. Many of our weekly spellings fall in line with topics covered and provide cross – curricular links across the year 5 subjects this week and other weeks.

Other:

We will also be learning about:

Music –We will be continuing our new song 'The fresh Prince of Bel Air' and a dance to go along side this.

PE – we will be focussing on dance, football and yoga.

Computing – Looking at how websites are planned and made. We will be focussing on e – safety.

RE – Looking at prayer in different faiths. Talking about prayer.

Science – Looking at lifecycles of birds and mammals

We will be continuing to observe E safety in all of our computing lessons as well as any cross curricular lessons that include computing as an aspect.

Don't forget it is PE day on Thursday this week, children need to wear their PE kits to school on that day. We will be doing Yoga and basketball.

We have also sent out reading records – all children's log in details are in there. We will check reading records every Monday and check for two signatures from an adult at home.

Contact:

Year Group Leader: Miss Biant

5 Ash Class teacher: Miss Biant

5 Elm Class teacher: Miss Shaw

5 Oak Class teacher: Miss Jose
