We will continue to have children in streamed groups which have appropriate learning objectives for the children. These groups will focus on times tables up to 12 x 12 and associated number facts.

we will be continuing Problem solving using a variety of skills, including addition and subtraction.

We will be encouraging the children to use the interactive 'Times Tables Rock Stars' or 'TTRS'

Literacy:

In Literacy this week we will be learning about:

Poetry and different types of genre within stories.

You will find that some spellings are repeated during the half term/term, this is due to the fact that there may be misconceptions for some words e.g. to, two, too (synonyms) and we want the children to be able to use these correctly and in context within a sentence. Many of our weekly spellings fall in line with topics covered and provide cross – curricular links across the year 5 subjects this week and other weeks.

Other:

We will also be learning about:

Music –We will be continuing our new song 'The fresh Prince of Bel Air' and a dance to go along side this.

PE – we will be focussing on Hockey and Basketball.

Computing – Looking at how websites are planned and made. We will be adding HTML to a website.

RE – Looking at prayer in different faiths. Talking about prayer.

Science – Looking at the lifecycle of insects and amphibians.

We will be continuing to observe E safety in all of our computing lessons as well as any cross curricular lessons that include computing as an aspect.

Don't forget it is PE day on Thursday 16th March (instead of Friday 17th March - Red Nose Day) Children need to wear their PE kits to school on that day.

We have also sent out reading records – all children's log in details are in there. We will check reading records every Monday and check for two signatures from an adult at home.
