

## Weekly Overview Year 5

**Week Beginning:** 24<sup>th</sup> April 2023

### **Words of the week:**

We will be using the following words in our lessons this week:

- Gaming
- Quest
- Adventure
- Linear
- Presentation
- Production

### **Maths:**

In Maths this week we will be learning about:

We will continue to have children in streamed groups which have appropriate learning objectives for the children. These groups will focus on times tables up to 12 x 12 and associated number facts.

Perimeter and area of a variety of shapes.

### **Literacy:**

In Literacy this week we will be learning about:

Fairy tales – Jeremy strong books.

You will find that some spellings are repeated during the half term/term, this is due to the fact that there may be misconceptions for some words e.g. to, two, too (synonyms) and we want the children to be able to use these correctly and in context within a sentence. Many of our weekly spellings fall in line with topics covered and provide cross – curricular links across the year 5 subjects this week and other weeks.

### **Other:**

We will also be learning about:

Music – Practising songs for the year 5 production

PE – Athletics skills

Computing – Looking at how to create interactive slide shows.

Art – Looking at Chinese art.

We will be continuing to observe E safety in all of our computing lessons as well as any cross curricular lessons that include computing as an aspect.

Don't forget it is PE day on Friday, children need to wear their PE kits to school on that day.

We have also sent out reading records – all children’s log in details are in there. We will check reading records every Monday and check for two signatures from an adult at home.

Children have all been given lines/ song words for the school production. If they have a speaking part, please encourage children to learn their lines.
