We will also be looking at:

Calculating angles on a straight line

We will be encouraging the children to use the new interactive 'Times Tables Rock Stars' or 'TTRS' all children will have been given log in details for this exciting new times tables platform.

Literacy:

In Literacy this week we will be learning about:

Biographies and Autobiographies

You will find that some spellings are repeated during the half term/term, this is due to the fact that there may be misconceptions for some words e.g. to, two, too (synonyms) and we want the children to be able to use these correctly and in context within a sentence. Many of our weekly spellings fall in line with topics covered and provide cross – curricular links across the year 5 subjects this week and other weeks.

Other:

We will also be learning about:

Music – Practising songs for the year 5 production

PE – Athletics skills

Computing – E – Safety

RSE – Keeping our body healthy

Art – Looking at Chinese art. Chinese calligraphy and Ming designs.

We will be continuing to observe E safety in all of our computing lessons as well as any cross curricular lessons that include computing as an aspect.

Don't forget it is PE day on Friday, children need to wear their PE kits to school on that day.

We have also sent out reading records – all children's log in details are in there. We will check reading records every Monday and check for two signatures from an adult at home.
