

## Weekly Overview Year 5

**Week Beginning:** 19<sup>th</sup> June 2022

### **Words of the week:**

We will be using the following words in our lessons this week:

- Local
- Study
- Week
- International
- Flag
- Country

### **Maths:**

In Maths this week we will be learning about:

Parallel and perpendicular lines.  
Angles on a straight line.  
Calculating angles.

### **Literacy:**

In Literacy this week we will be learning about:

Stories from other cultures.

You will find that some spellings are repeated during the half term/term, this is due to the fact that there may be misconceptions for some words e.g. to, two, too (synonyms) and we want the children to be able to use these correctly and in context within a sentence. Many of our weekly spellings fall in line with topics covered and provide cross – curricular links across the year 5 subjects this week and other weeks.

### **Other:**

We will also be learning about:

Music – Djembe Drums  
PE – Volleyball  
Computing – We are game designers.  
RE – Looking at what it means to be a part of the Muslim faith.  
DT – Sewing skills

We will be continuing to observe E safety in all of our computing lessons as well as any cross curricular lessons that include computing as an aspect.

Don't forget it is PE day on Friday, children need to wear their PE kits to school on that day.

We have also sent out reading records – all children's log in details are in there. We will check reading records every Monday and check for two signatures from an adult at home.

The school nurse will be in on Monday 19<sup>th</sup> to talk to the girls in year 5 about menstruation and products that can be used.
